SUBJECT: 2015-2016 Perma-Bound Catalogs

I hope you will find the catalogs helpful in selecting your titles for your library.

Remember that Perma-Bound offers the following benefits:

1. FREE Shipping (8-12% savings)
 2. FREE attached or unattached library processing (barcode, spine label, etc.)
 3. FREE MARC Records, (we have already reconfigure the MARC Record to the LS2)
 4. FREE Collection Development, Opening Day Collection, etc.
 5. Manage "My Collection" analysis provided at NO charge.
 6. Web Page (i) Catalog providing incredible search options.
 7. GUARANTEE: If you are ever dissatisfied with a Perma-Bound binding, we will replace it FREE. No hassle. GUARANTEED!!!!!!!
 8. OUR continued support for providing you the best service possible.
- Please Note: Detection Tape is \$.50 per book attached or unattached.

As a reminder, with Perma-Bound prebound books, we have developed our own patented binding process that allows the books you purchase today to last 7-10 longer than paperbacks. HOWEVER, we have recently included selling paperbacks, for your purchases. PLEASE, do not hesitate to contact us for a free quote for PB binding books or paperbacks.

As you may know, Perma-Bound eBooks Program is becoming a popular alternative to a standard printed book. Perma-eHub is easy in setting up for User account, so do not hesitate to contact us for further information.

Lastly, don't forget, we can help you upgrade your library inventory up to National Standards for Accreditation. You can contact us via our email addresses or call us on our cell. Kimberly (808) 782-1180 or Sherman (808) 349-3377

Looking forward to working with you as always.
